If you can make some of that weekend, please call Paul Elstone on 06 8700961 or just show up!

# Club Captain's Report

**Steve Evans**

With May and June's club trips cancelled through flooded rivers and a break from monthly away trips in July, there isn't much to report here.

We do have an annual pilgrimage to the Taupo region later in August, where all attending must be hoping for a change from recent years that have usually ended with anglers heading back across to the Mohaka for better fishing than any of the Taupo rivers could offer. At the time of writing, quite a few positive reports of good fishing on the Tongariro & TT have been filtering through, so let's hope for something different this time.

We haven't planned anything ahead of September as yet and would welcome your thoughts and suggestions at next month's AGM so we can avoid the trap of just offering the same old trips year in year out.

One exception is that a repeat of last November's South Island trip to the Murchison region seems to be taking shape. This trip offered unbelievable value for money at about \$550 per person fully inclusive of travel, ferry, accommodation & food; not to mention outstanding company in stunning locations. If you're keen to join in this year, please call Paul Elstone on 06 8700961.

This lack of fishing activity makes for a very brief Captains report.

Tight Lines - Steve & Paul
